

EAST PENN SCHOOL DISTRICT New Website

The East Penn School District is launching a redesigned district website.

What Should I Know?

Due to the amount of content on our current website, the migration will take time. We will be converting pages to the new website, daily. The temporary website address will be new.eastpennsd.org, while content is being transferred.

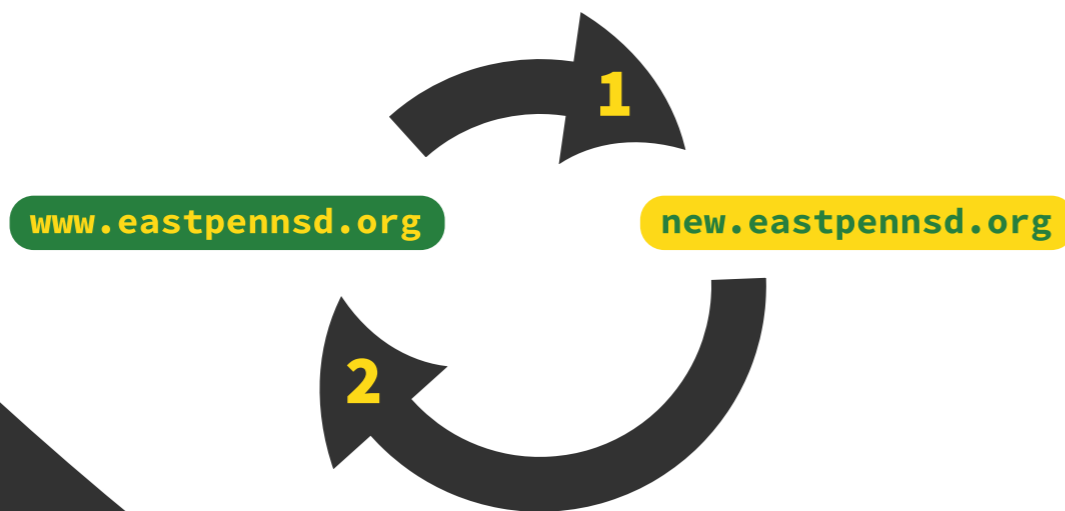

What Will Happen to My Links?

During this transition, nothing will happen to your bookmarked links. The old web pages will be redirected.

Once all the content has been migrated and the new website is fully operational, new.eastpennsd.org will be renamed back to www.eastpennsd.org.

*We will perform a district-wide phone call, webpage postings, and email newsletter notifications, when we rename the website back to www.eastpennsd.org. At that point, your old bookmarks will no longer work and new bookmarks will have to be created.

Mobile Friendly

Homepage

The screenshot shows the homepage of the East Penn School District. At the top left is the logo with the text "East Penn School District Building Foundations for Lifetime Learning". To the right of the logo are four circular icons labeled 8, 9, 10, and 11, corresponding to "News & Media", "Events", "About EPSD", and "Intranet". Below these is a dark green bar with a bus icon and the word "Schools" next to a circular icon labeled 12. A horizontal navigation bar below that contains seven items: "Administration" (1), "Parent Portal" (2), "Student Life" (3), "School Board" (4), "Dashboard" (5), "Community" (6), and "Employee Portal" (7). On the left side, there are three sections: "EPSD Social" (13) with Facebook and Twitter icons, "Quick Links" (14) with a list of links, and "District Events" (15) with a calendar view. The main content area features a large photo of a classroom with a yellow banner that says "Welcome to the East Penn School District". Below the photo are two news items: "School Board Meeting Agenda For Mar 24, 2014" (dated March 24, 2014) and "Press Release on Superintendent Appointment" (dated March 21, 2014).
